Conclusions (Two Slides:)

The false prophet with backing from the assembly of nations Jer 50:9 (United Nations or equivalent?) will cause an oath to be sworn that Solomon's Book of Wisdom is the Word of God. What will be the catalyst to propel this? Alien attacks? Evolution discoveries? This book of Wisdom will be supported by highly deceptive signs and lying wonders to convince all that it is authentic. God will marke all that swear the oath, there will be no repentance possible because one is willfully confessing Lucifer as God.

James 5:12 But above all things, my brethren, swear not, neither by heaven, neither by the earth, neither by any other othe: but let your yea, be yea, and your nay, nay: lest yee fall into condemnation.

If Joel Osteen can deceive by getting people to recite the saying below by holding up Vatican? based bibles (idols of gold and silver), what will Solomon be like?

“This is my Bible. I am what it says I am. I have what it says I have. I can do what it says I can do. Today I will be taught the word of God. I boldly confess my mind is alert, my heart is receptive; Ill never be the same. In Jesus name, God bless you.”
